

## Tips For Using the Merriest Frames Hybrid Embossing Folder

[CLICK HERE](#) for Video Tutorial

[CLICK HERE](#) for Blog Post

Hybrid Embossing Folders consist of both an Embossing Folder and a Die (or set of dies) that work together. You can use each alone, but when you combine them, you get some amazing results.

Pictured here are several cards made using the Merriest Frames Hybrid Embossing Folder products in different combinations.
