- **Scraps:** Basic White, DSP

Instructions:

- Cut, score, and fold the Basic White card base.
- Emboss the Basic White layer using the Exposed Brick 3D Embossing Folder.
- Adhere one of the DSP strips across the center of the Basic White embossed layer. Then, adhere to the card front.
- Use a paper trimmer to cut the 3" x 3" DSP layer into three equal strips (1" x 3").
- Center and adhere the three DSP strips to each of the Basic White strips, keeping them in the same order to preserve the image.
- Center and adhere the layered strips to the card front, leaving a small ($\frac{1}{8}$ ") gap between the strips as pictured.
- Punch two circles from Basic White scrap using the $1\frac{7}{8}$ " and 2" Circle Punches.
- Use Mossy Meadow to stamp "Hello" on the smaller circle. Then, center and adhere to the larger circle using Stampin' Dimensionals.
- Stamp "Friend" on the Basic White strip with Cherry Cobbler. Cut banner edges on both sides of the strip.
- Adhere the sentiment banner across the layered circle, as pictured, using Stampin' Dimensionals. Then, adhere to the card front.
- Adhere the remaining DSP strip across the center of the inside of the card.
- Stamp a sentiment on the inside Basic White layer using Mossy Meadow.
- Use scissors to cut out a flower from DSP scrap. Then, adhere to the stamped inside layer as pictured.
- Layer and adhere the stamped Basic White layer and the DSP layer inside the card.
- Embellish the card with Traditional Sparkling Sequins.
For a coordinating envelope, adhere the DSP envelope layer to the flap and trim excess
